Dear Parents and Guardians,

I hope this letter finds you and your family well. We are writing to inform you of the upcoming **New Jersey Student Learning Assessments (NJSLA)** for the 2024-2025 school year. These assessments are mandated by both the state of New Jersey and the federal government to measure student proficiency in Math, English Language Arts (ELA), and Science.

Below are the testing dates for each subject:

- **NJSLA Math:** Week of **May 5th, 2025**
- **NJSLA English Language Arts:** Week of **May 12th, 2025**
- **NJSLA-S Science:** Week of **May 19th, 2025**

These assessments are important in helping us understand and support your child's learning and development. We encourage you to ensure your child is well-rested and prepared for these test days.

Please review the table below for important resources, including accommodations manuals, practice questions, and other useful information for parents and guardians.
