

Notice of Changes and Points of Emphasis for Enforcement

There has been a change in the penalty schedule for this classroom.

Rather than two warnings, students will be given one formal warning, upon which they will be given a written notice. The 2nd formal warning will result in the student bringing the written notice for signature. Signed notices will be delivered to the office on a bi-weekly basis; the director will then be consulted on additional disciplinary measures. The sheet will be similar to this.
